Grace Theological Seminary

Winona Lake, Indiana

1971

Dedication: to Dr. Homer A. Kent, Sr.

You have taught from your experience
and we have profited from your knowledge.

You are foremost a son of God
and in addition to this:

You have demonstrated your ability and faithfulness
as a successful pastor
as an author
as an administrator--both as Registrar and as Vice President of Grace Schools, and
as a professor at Grace for 29 years.

You remain a defender of our great faith.

You continue to manifest a spirit of humility and quiet confidence in our God.

With the prayer that we will so employ our abilities and so manifest such a spirit

We dedicate this book to you.

Postgraduates gain deeper insights from the Word by scholarly research

Seminars, reading, research and term papers make up the postgraduates career at Grace. Their research on a given topic is presented in the form of a paper and a seminar presentation. The seminar topics range from hermeneutics to Old Testament Theology and from New Testament Backgrounds to Missions.
